

Homework #1 for MATH 5345H: Introduction to Topology

September 4, 2013

Due Date: Monday 9 September in class.

1. What has been your favorite class at university?
2. What has been the most exciting thing you've learned in a math class?
3. What do you want or intend to do after graduation?
4. What is the best thing to do in the twin cities?
5. Any suggestions for surviving the winters?
6. What's been your favorite thing about the university? What's been your least favorite?
7. Do you have any concerns or worries about this class that you want me to know about?
8. What do you want to get out of this class?
