

Quiz Policies

- We have weekly quizzes on Thursdays.
- No calculators are allowed during the quizzes.
- No make-up quizzes will be given.
- The lowest two quiz scores will be dropped.

Homework Policies

Homework assignments are graded out of 10 points. These points are awarded in the following way:

(2) Completion (+1 may be awarded for partial completion)

(2) Presentation/organization.

(6) Three “essential” problems will be selected from each assignment. These will be graded more carefully than the others. They are graded on a 0-2 scale as follows:

(0) Not attempted, little/no progress
(+1) Partial progress but incomplete or on the wrong track.
(+2) Correct (possibly with minor mistakes).

All exercises must be submitted to receive full credit on the assignment.

Homework assignments are due in class on Thursdays. Late assignments will be accepted until 5:00 PM on Friday, with the following penalties: (-1) for submitting after class, (-1) for submitting after Thursday. (These penalties stack, so submitting at 5:00 PM on Friday is an automatic (-2) on the assignment).
