Exclusions from Final Exam for Math 2373, Spring 2019:

``Ellipse problems.''
  Week 8 homework, Home-made 2
  Week 8 worksheet 9982, problem 2
  Week 8 worksheet 9984, problem 1

``Express method’’
  Week 10, worksheet 9911.1, problem 1

``Inverse Laplace transform of 1/(s^2+a^2)^2’’
  Week 11 homework, problem 8, p. 483, Sec. 8.2

Calculation of Laplace transforms from the definition.
(In all cases you may use the table.)

Calculation of convolution from the definition.
(In all cases may use Laplace transforms.)
