021 Roger Sadolowsky: Tu 8-8:50, 206 Vincent (VH); Th 8-9:55, 209 VH
022 Roger Sadolowsky: Tu 10:10-11, 150 Ford; Th 10:10-12:05, 134 Kolthoff (KH)
023 Eoin O’Hara: Tu 11:15-12:05, 209 VH; Th 11:15-1:10, 209 VH
024 Nicholas Kirchner: Tu 12:20-1:10, 206 VH; Th 12:20-2:15, 132 KH
025 Nicholas Kirchner: Tu 2:30-3:20, 135 KH; Th 2:30-4:25, 132 KH

Contact info for workshop leaders:

Sadlowsky: 509 VH, 624-7073, sadlo001@math.umn.edu; office hours: TBA
O’Hara: 110A Lind, 624-3337; ohara@math.umn.edu; office hours: TBA
Kirchner: 456 VH, 625-0356; kirc0076@math.umn.edu; office hours: TBA

Text: Two course packs by Chester Miracle. Buy the first one, Differentiation and Applications, as soon as possible from Alpha Print, 1407 4th St. SE, in Dinkytown.

Information pertaining to all lectures and workshop sections of Math 1371 is in the front of the first course pack, including information about grading and guidelines for workshop participation. Exam dates are listed below for your reference.

You may like to supplement your reading and practice with another calculus textbook. For example, Stewart’s Calculus: Early Transcendentals. There are copies of this book on reserve in the mathematics library.

Exams:

Exam 1: Thursday, October 4, 2007, time: 5-6 or 6-7, location: TBA
Exam 2: Thursday, November 1, 2007, time: 5-6 or 6-7, location: TBA
Exam 3: Thursday, December 6, 2007, time: 5-6 or 6-7, location: TBA
3 gateway exams (refer to the course pack and your workshop leader)
Final Exam: Friday, December 14, 2007, time: 1:30-4:30, location: TBA
