

The Combinatorics Consortium

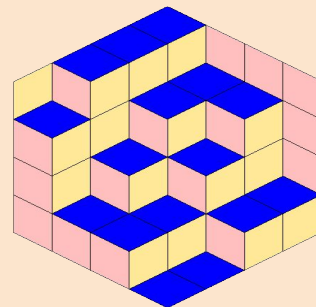

www.tccpublishing.org

- A US 501(c)3 non-profit
- Dedicated to promoting **conferences** and **Diamond Open Access journals** in combinatorics (such as *Combinatorial Theory* and *Algebraic Combinatorics*)
- Trustees: Sara Billey, Volkmar Welker, Mike Zabrocki, Vic Reiner
- Can you **donate** to us? Yes– it's **tax-deductible!**
- Can we **help you?** Yes– via **small grants** for conferences.

Questions? Write to us at: tcctrustees@googlegroups.com

Algebraic Combinatorics

- A **mathematician-run** journal, owned by its editorial board
Established in 2018, by the editorial board who resigned from Springer-owned JACO
- **Diamond Open Access:** no fees for authors or readers
- Publishes **high-quality** papers, where algebra and combinatorics interact in interesting ways.
- Editors-in-Chief:
Akihiro Munemasa, Satoshi Murai, Brendon Rhoades, David Speyer, Hendrik Van Maldeghem
- Indexed by *Scopus*, *MathSciNet*, *Zentralblatt* (*Web of Science* in progress)
- Funded by LYRASIS through *The Combinatorics Consortium*, its publisher
- Subscribe for Table of Contents emails– see instructions at journal site.

Please consider submitting your work to ALCO!

Combinatorial Theory

- A **mathematician-run** journal, owned by its editorial board
Established in 2020, by the editorial board who resigned from Elsevier-owned JCTA
- **Diamond Open Access**: no fees for authors or readers
- Publishes **high-quality** Additive, Algebraic, Analytic, Enumerative, Extremal, Geometric, Topological, and Probabilistic Combinatorics
- Features **doubly-anonymous** refereeing
- Managing Editors: Josephine Yu, Will Perkins

- Publisher: eScholarship (University of California Library System)
- Funded by LYRASIS via *The Combinatorics Consortium*
- Indexed in *MathSciNet* and *Zentralblatt* (*Scopus* and *Web of Science* in progress)
- Subscribe for Table of Contents emails– see instructions at journal site.
